

2015 Legislative Agenda

Approved 7-0, Dec. 9, 2014

1. Defend against any and all cuts to State-shared revenues and protect local fiscal sustainability.
2. Promote collaboration between the Arizona State Legislature and Arizona cities and towns, including the League of Arizona Cities and Towns, to identify fiscal solutions that do not negatively impact fiscal sustainability.
3. Protect and enhance local authority and decision making.
4. Protect and enhance sustainable local economies with strong economic development tools and infrastructure.
5. Protect and enhance legislation that supports cost-efficient and sustainable water and energy practices.
